Next Sunday's Message

If you were to look back over your life, are there people or events that have fundamentally changed your life in some way? In Romans 12, Paul tells us to “be transformed by the renewing of your mind.” That transformation is not something we do ourselves, but something that is done to us as we allow God to work. Join us next week as we look at the next “marker” in our series on being a healthy missional church: A life-Transforming Walk with Jesus.
