Next Sunday's Message

Sometimes, it's hard to just keep up with what's happening in our own home area, let alone what's happening in other parts of the world. And yet, what happens in other parts of the world often impact us, even if we don't realize it. As followers of Jesus, the reverse is also true—what we do here at home should impact other parts of the world. While we should be very concerned with what happens at home, we also need to be aware of the needs and opportunities for ministry elsewhere. It's all part of "Keeping a Global Perspective and Engagement," the next in our series of Ten Healthy Missional Markers.
